Project Executive Officer,
South Kanara, Mangalore.

To
The Director of Community Development, MADRAS.

Sir,

COMMUNITY PROJECT--South Kanara--Education--Ele.Schools--upgraded to Hr. Ele. Schools--Further aid--Grant--Instructions--Solicited.

--

Some Elementary schools in the Community Project area are being upgraded into Hr. Ele. Schools as per the programme. These elementary schools have been given Community Project aid upto Rs. 1500/- the maximum grant allowed for the repairs or additional accommodation. When they are upgraded into Hr. Ele. Schools, the question of additional accommodation is felt. The school committees of such schools have come forward with applications for more aid. I solicit instructions whether those Elementary schools which have already been given Community Project aid, can be given further aid when they are upgraded into Hr. Ele. Schools, treating them as separate institutions. In other words, orders are solicited as to whether the aid already given to the Ele. School and the further aid to be given when it is upgraded as a Hr. Ele. School can go beyond Rs. 1500/- upto Rs. 3000/- or whether a total amount should be restricted to Rs.1500/- only.

Yours Faithfully,

16/5

Project Executive Officer.

NOTE: Even when the schools are upgraded the grant will be restricted to 50% of the cost of the work as per instructions in G.O.No.1594, Public dated 16.5.55. Hence, there seems to no objection to pay grants to up-graded schools even if the schools had already received grant before upgrading. Subject to orders the draft above is submitted for approval.
